

Intermolecular To Report First Quarter Fiscal 2017 Financial Results on May 4, 2017

SAN JOSE, Calif. – April 13, 2017 – Intermolecular, Inc. (NASDAQ: IMI) today announced it will release its financial results for the first quarter of 2017 on Thursday, May 4, 2017 after the close of the market. In conjunction with the release, Intermolecular will host a conference call and simultaneous audio-only webcast at 2:00 p.m. Pacific Time with Chris Kramer, president and chief executive officer and Bill Roeschlein, chief financial officer.

To participate via telephone, the toll free dial-in number is (877) 251-1860; international callers should dial (224) 357-2386. The conference ID number is 51079134. Please dial in 10 minutes prior to the scheduled conference call time. A live and archived audio only webcast will be available on Intermolecular's website at <http://ir.intermolecular.com> for up to 30 days after the call.

About Intermolecular, Inc.

Intermolecular® is the trusted partner for advanced materials innovation. Advanced materials are at the core of innovation in the 21st century for a wide range of industries including semiconductors, consumer electronics, automotive and aerospace. With its substantial materials expertise; accelerated learning and experimentation platform; and information and analytics infrastructure, Intermolecular has a ten-year track record helping leading companies accelerate and de-risk materials innovation.
